

A BIG THANK YOU TO OUR DONORS

Thank you, multumesc, merci, muchas gracias... no matter the language—the message is the same. Thanks to our [many donors](#) throughout the U.S., as well as international sponsors from Canada, England, France, and Denmark. Hearts could not do what we do without all of you.

Because of your generosity, in the past year we provided more than 1,400 pairs of shoes to needy children and adults, donated medical supplies to Brasov hospitals and doctors, kept 14 children and their families united through our Sponsor A Child Program, and distributed personal hygiene products, clothes and toys to people in Brasov County. We funded home improvements for a family, purchased furniture for another mom and 4 children when they moved from a makeshift home with no electricity or running water to a modern apartment, bought beds for two young girls, paid for after school care for some of our sponsored children, donated art supplies for a local school for the blind, and provided financial support for our partner, UPSV, as they remodeled a facility to house their transitional program. We also hosted a total of 8 volunteers on two very successful trips to Romania in 2014, two of whom are repeating with our work team trip in August, 2015.

Our 2015 volunteer work team trip arrives in Romania on August 22nd with a group of 5 volunteers coming from Oregon, California and New York. Hearts has a shipment of donations that should be arriving in Brasov any day now with another one scheduled to go out in July. We are so fortunate to have lots of donations to distribute to needy children and families in Brasov, as well as the medical community.
